## News & Updates

### Opportunity to Participate in Serosurvey of Non-Domestic Felids Vaccinated for SARS-CoV-2

The Felid Taxon Advisory Group (Felid TAG) is recruiting participants for a study on non-domestic felids that will be vaccinated with new SARS-CoV-2 vaccines. [Learn more about this survey and how you can participate here!](#)

**APHIS Launches Website and Announces Webinars for Attending Veterinarians** Attending veterinarians are vital to the success of facilities regulated under the Animal Welfare Act. To better support you, USDA has launched a new website just for attending veterinarians. [Visit the new website and learn about upcoming webinars for attending vets here!](#)

**COVID-19 Investigations of Big Cats at Zoos and Sanctuaries (OH-FICC Factsheet)** The One Health Federal Interagency COVID-19 Coordination (OH-FICC) Wildlife and Zoos Subgroup recently developed and released the factsheet COVID-19 Investigations of Big Cats at Zoos and Sanctuaries. The fact sheet is intended for owners and operators of zoos, sanctuaries, and wildlife facilities with big cats. [Learn more and read it here!](#)

**ZAHP COVID-19 Impact Analysis Survey** ZAHP is conducting a survey to collect more comprehensive data on the issues that zoos, aquariums, and wildlife facilities have experienced over the first year of response to COVID-19. We are looking for responses from facilities of all sizes and affiliations, and all responses will remain confidential. [Learn more about the survey and how your facility can participate here!](#)

**Reminder: ZAHP Capacity Building Grant Opportunity** The 2021 ZAHP Capacity Building Grant is now **LIVE** and accepting applications through **June 21, 2021!** This year's grant program will provide **up to \$15,000** for projects that would build capacity for response and/or recovery for the exotic animal industry. [Learn more and apply here](#) or contact [hrandall@aza.org](mailto:hrandall@aza.org) with any questions!
