Zoonoses and One Health Updates (ZOHU) Call

Wednesday, September 7, 2022

2:00 - 3:00 PM ET

[Learn more here!](#)

Zoonoses & One Health Updates (ZOHU) Calls are one-hour monthly webinars offered by the CDC that provide timely education on zoonotic and infectious diseases, One Health approaches, and more.

September's call will cover the following topics: Translocation of a rabid anteater resulting in multiple human exposures, the projected expansion of coccidioidomycosis (Valley fever) endemic regions in response to climate change, and integrating public health surveillance and environmental data to model the presence of *Histoplasma*.
